## Folding Arm Awnings

▲ **Folding Arm Awning** with Pitch Control Feature

## Cassette Folding Arm Awnings

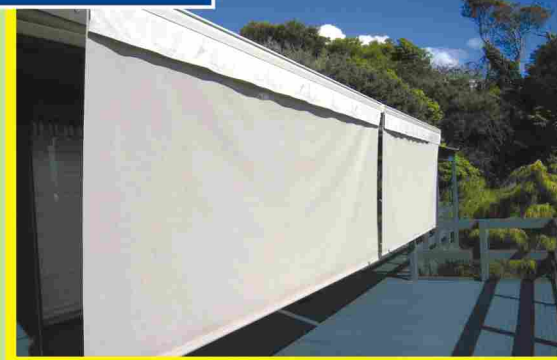

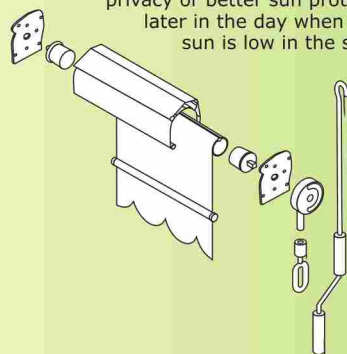

▶ **The Cassette Model** hides your awning away out of sight when it is not in use.

## Extendable Valance Awnings

The **Extendable Valance Model** will give privacy or better sun protection later in the day when the sun is low in the sky.

# in **Style & Comfort**

Camerons stock a large variety of different models for you to choose from and other additional options to compliment your folding arm awning and make it **TRULY CUSTOM MADE.**

Camerons have a Folding Arm Awning to suit every budget with the added bonus of it being **SPECIFIED and FITTED** by the experts. Another benefit is the fact that you have a huge range of different fabric types to choose from and your colour choice is almost unlimited.

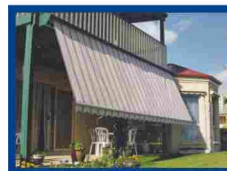

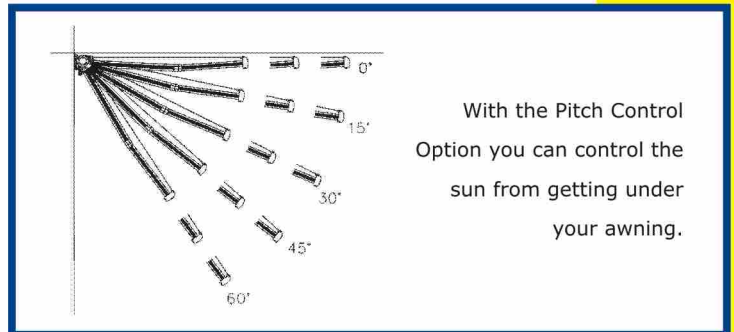

No job is too big, too small or too difficult for Camerons. We are the experts and we will find a way to fit your awning.

*Some models to choose from include:*

- Stainless Steel Models
- Cassetted Models
- Semi Cassette Models
- Extendable Valance Models
- Inbuilt Lighting Feature
- Pitch Control Feature
- DIY Kits Available
- Budget through to Deluxe Models

Choose from the following methods of operations:

- Gear Box & Crank Handle Operation
- Motorisation
- Remote Operation
- Computer Controlled Operation
- Wind or Sun Sensors

## Other Features Available

### Standard Colours Available

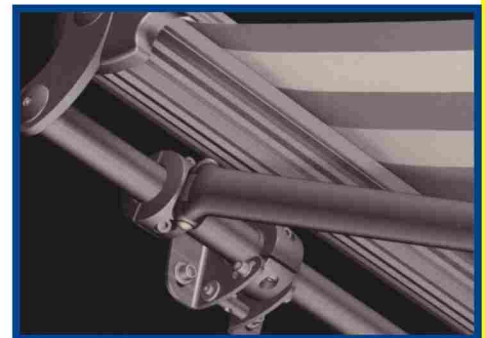

Arms can be powercoated in a colour to suit at an additional cost.

**Motorisation or Electronic Controls** can give you sun protection even when you are not at home, eg. a Sun Sensor will extend your awning out if it reaches a certain temperature or alternatively a Wind Sensor will retract your awning if a storm blows in.

**Inbuilt Lighting Feature** on your awning is practical & creates an inviting entertainment area.

**The Stainless Steel Model** is the ultimate in Folding Arm Awnings and its construction is ideal for Waterfront areas.
