FILTER SYSTEMS

Product No.	Description	Ctn Qty	Price
<u>Counter Top</u>			
Includes 1/4" white housing, carbon briquette cartridge, High Flow diverter valve and adaptor, counter top stand, counter top spout, brass elbows and 1/4" tubing.			
WCTFS	Counter Top Filter System (Cyst removal)	1	\$ 77.20
<u>Single Undersink</u>			
Includes 1/4" white housing, bracket, carbon briquette cartridge, brass ball valve, 350KPA pressure reducing dual check valve, long reach chrome faucet, 1/2" brass tee, wrench, JG fittings, 1/4" tubing and thread seal.			
WSUFS	Single Undersink Filter System (Cyst removal)	1	\$ 153.50
<u>Quick Connect Single Undersink</u>			
Includes 12" lead carbon block cartridge, quick connect valve-in-head assembly, mounting bracket, brass ball valve, 350KPA pressure reducing dual check valve, long reach faucet, 1/2" brass tee, JG fittings, 1/4" tubing & thread seal.			
WQCUS12	Quick Connect Undersink System, 1/2" (Cyst Removal)	1	\$ 223.35
<u>Dual Undersink</u>			
Includes 1/4" white housings, dual bracket, 5 micron sediment, carbon briquette cartridge, brass ball valve, 350KPA pressure reducing dual check valve, long reach chrome faucet, 1/2" brass tee, wrench, JG fittings, 1/4" tubing and thread seal.			
W2SUFS	2 Stage Undersink Water Filter System (Cyst Removal)	1	\$ 176.10
