concepts

Imagine if...

You could get that new carport, pergola, gazebo, verandah, deck or cafe blinds installed on time, to budget and with a 10 year warranty and satisfaction assurance.

Sound too good to be true?

At Outside Concepts we've helped thousands of Australians improve their life and their lifestyle - on time and to budget. Our local business owners around the country are committed to working with you to get the best results at the best price.

We revolutionised the home improvement industry with the development of a world first computerised on-site quote and design program. This program provides you with detailed specifications, quotes, council applications, material options and a colour model on-the-spot.

And it's free.

Contact us today and we can show you how your new home improvement project can look in the comfort of your own house.

*"Quick and efficient.
Nothing was too much trouble.
Completely satisfied"*

G Jukes, Victoria

*"the best results
at the best price"*

So good we
guarantee it for
10 long years...

There's not many Australian builders that will give you a 10 year structural guarantee on all of their work but **at Outside Concepts** it's our minimum standard.

We NEVER compromise on our workmanship or the quality of our materials. All of our tradespeople are qualified and licensed. Our material suppliers are Australia's best, but our national buying power means we can source it at a very competitive rate.

Plus, we give you options - colours, materials, designs, even the timing of a project is all flexible to best meet your needs.

We appreciate that improving your home is an important job and meeting your needs is all part of our high service standards

"We NEVER
compromise"

"I am very happy with the work,
speed and reliability. I found the
whole process to be much smoother
than I expected"

A Sanchez, Moorooka

Improve your life, improve your lifestyle ...

Need more space?

*Always dreamed of dining alfresco
all year round?*

Longing for an extra entertainment area?

Kids need their own area?

You can get all of this + increase the value of your investment with **an Outside Concepts** new carport, gazebo, decking, verandah, patio or even cafe blinds.

We can transform not only your living space but also the way that you live. Why go out to a beer garden when you can create your own at home. Why move house when you can easily improve what you have. Why let the weather keep you inside when you can create your own outside weatherproof haven. Why settle for a second best car when you can protect it like new.

Why compromise when you can afford **Outside Concepts** - fixed price guarantee, 10 year structural guarantee, satisfaction assurance.

*"The work has great presence
and has capitalised the space
it now occupies"*

S Price, Broome

We can transform
your living space
and the way you live

Interested?

To access our fixed price guarantee, 10 year structural warranty and unique satisfaction assurance all you need to do is phone, email or register on our website.

Your **local Outside Concepts** business owner will contact you to discuss your project and make a time to visit to provide a no-obligation, on-the-spot quote and visual outline.

We will then provide you with full project details and costs. If acceptable you simply sign the paperwork and we get cracking sorting all Council approvals. A project schedule is devised to reduce the impact on your house and family and we start the work once all approvals are achieved.

At project completion (and after clean up) we will personally talk you through all that has been done and arrange to return a few weeks later to ensure you are happy with the work.

Our 10 year structural guarantee is the final piece of your new lifestyle jigsaw.

It's so simple you'll wish you did it years ago!

*"Exceeded our expectations.
The work was done quickly and
professionally and we are extremely
pleased with the result"*

How to select the right team for your project

It's good project management to obtain more than one quote for any project but beyond price (which can be misleading if all things aren't also equal) how do you separate one builder from another?

At Outside Concepts we think beyond just price, although we're very competitive in that regard,

and also consider approvals, design options, experience, your convenience and meeting schedules. It's all part of the Outside Concepts service charter.

Use this simple comparison chart to make your assessment -

		Outside Concepts	Option B	Option C
Service	Is it personalised?	✓		
Experience	How long have they been trading and how often do they do this type of work?	20+ years. Thousands of satisfied customers around Australia. ✓		
Cost		\$ ✓	\$	\$
Buying Power	What drives their prices?	The national buying power of over 40 branches. ✓		
Council Approvals	Who has to arrange these?	All undertaken by Outside Concepts. ✓		
Warranty	How long and on what ?	10 year structural warranty on all materials. ✓		
Design	Is it off the shelf or can you tailor it to meet your unique needs?	All designs can be fully tailored and offer material options. ✓		
Credentials	What proves they can undertake this work to industry standards?	  ✓		
Satisfaction	What guarantees your satisfaction?	Our customer satisfaction assurance. ✓		
Timing	How long will it take to completion?	Building schedules that revolve around your needs. ✓		
Australian	Local or overseas materials and profits?	Fully Australian owned and managed. ✓		
Options	What choice do you have on materials, design and costs?	Materials, designs and even costs are all flexible to meet your needs. ✓		
Local	Do they know the area, are they part of the community?	All OC franchisees are locals owners and residents. ✓		

"Truly a professional job and you guys were amazingly trustworthy - we felt really comfortable having you at our home" Michael and Tracy, Carrara
