About Us

Relax, we're with you all the way

At Kleenit Group, we provide a complete residential, commercial and industrial cleaning service to a broad range of clients throughout Australia.

From floors to roofs and graffiti to cars, we get the cleaning job done. Quickly. Efficiently. No excuses. What's more, we also provide a range of sealing and protection services.

We are Australia's cleaning, sealing and surface protection specialists – a specialised nationwide network of local experts armed with the best equipment, support systems and environmentally friendly cleaning products.

About Us

Our mission and values

It's our mission to be the first point of contact for anyone who requires building cleaning services – homeowners, businesses, local councils, national government agencies, any client anywhere in Australia.

- **Professionalism.** We use the best tools and environmentally friendly products.
- **Integrity.** We deliver what we promise – on time, on budget, every time.
- **Pride.** Every job is a matter of personal pride for our operators.

Some businesses pay lip service to their values. Ours underpin and guide everything we do, from recruiting operators to delivering our cleaning services. Everyone at Kleenit shares the same quality-focused ethos – something you can see in every job and our group's continuing success.
