WHAT OUR CLIENTS SAY

"Air conditioning is a part of life when you live in a hot weather climate, and preparation is the key to your cooling needs.

CTM have always provided excellent and prompt service to cater for all our needs whether its our freezers, cool rooms or air conditioners.

CTM are a well-established, expanding commercial Air Conditioning & Refrigeration company who provide top of the range service"

NIGHTCLIFF SHOPPING CENTRE
-MANAGEMENT

"Fantastic service, from sales to installation. There is no hassle and they are quick from time of first phone call. We are always extremely happy with the service and the product. We have been using them for our cool room and refrigeration repairs and servicing. The guys are fantastic, super-efficient, extremely polite and helpful"

COOL SPOT & FORESHORE RESTAURANT

"As a development company I depend on good quality vendors. CTM are fast, professional and provide great service for all our domestic and commercial properties. They are warranty agents for the brands they supply. CTM as a company offer a wealth of experience and knowledge on building sites"
