Fix®

Bona Freshen Up is a ready-to-use water-based polyurethane based product designed for the on-going maintenance of finished timber floors. Freshen Up revives a scratched and dull surface giving a newly finished look and continued protection against wear. Freshen Up does not contain any wax or polish, so floors maintained with Freshen Up can be easily re-coated at any time.

DEEP CLEANING SOLUTIONS

Timber vision concept Deep Clean Solution is a concentrated cleaner for thorough, deep cleaning of coated and oiled timber floors.

The unique formula delivers optimal cleaning efficiency and removes stubborn scuff marks without the risk of staining the wood. It can be used to revitalize dull wooden floors or to prepare the surface before applying maintenance coatings or oil.

It is particularly suited for use with the Nilfix Power Scrubber but can be used with our cleaning machines for manual cleaning. Try and experience a new level of clean.
