// HIGHLAND COLLECTION

// HIGHLAND – SERIOUS ABOUT COOKING

ALWAYS RELIABLE AND SIMPLE IN DESIGN, HIGHLAND PRODUCE EXCEPTIONAL PERFORMING APPLIANCES, SELECTING QUALITY COMPONENTS FROM AROUND THE WORLD, DELIVERING POWER AND PERFORMANCE.

MANUFACTURED IN AUSTRALIA'S SOUTHERN HIGHLANDS, EVERY HIGHLAND COOKTOP IS INDIVIDUALLY HAND FINISHED AND TESTED PRODUCING A POWERFUL, VERSATILE AND PRECISE FLAME FOR THE SERIOUS COOK.

DEVELOPED TO COMPLIMENT THE EXTENSIVE COOKTOP RANGE, THE CANOPY COLLECTION OFFERS AN INNOVATIVE VARIETY OF DESIGNS.

REVERSIBLE SIDE OPENING, WITH A HUGE 75 LITRE CAPACITY, THE HIGHLAND OVEN COMPLETES THE HIGHLAND COLLECTION.

// HIGHLAND OVEN

// SERIOUS OVEN CAPACITY

The Highland HIO6002 multifunction oven truly is a remarkable appliance, designed to compliment our unique range of gas and electric cooktops and innovative rangehoods. This oven has a superior 75 litre capacity and features a ceramic grill that is the most advanced grill system in today's market. Imagine a ceramic cooktop placed inside the roof of the oven cavity – easy to wipe clean with a more efficient and responsive element system.

// HIGHLAND DESIGNER SERIES

// AN AUSTRALIAN FIRST

Introducing the first Australian made indoor gas barbeque. The Highland barbeque complements our Designer series and can be installed in your home or outdoor kitchen.

The Highland barbeque is set to revolutionise your cooking experience, as you can now appreciate true barbeque flavours indoors. Constructed in a stainless steel surround and cover, with a high carbon steel griddle plate. All designed to give optimal cooking results in a sleek design. To ensure ease of cleaning the waste catchment drawer and griddle plate are both easily removed and dishwasher safe.

// HIGHLAND DESIGNER SERIES BARBEQUE AND COOKTOP

INDOOR GAS BARBEQUE > HDBBQN/L

- Only approved indoor BBQ with rangehood at normal height
